

SPARKLE INTERNATIONAL CO.
CLEANING SOLUTIONS

THE COMPANY PROFILE

ABOUT COMPANY

Sparkle International Company is a Kuwait-based cleaning services provider dedicated to keeping all types of facilities clean, safe, and well maintained. We offer specialized cleaning services across many sectors, ensuring hygienic and efficient environments for every client.

Our work includes cleaning for healthcare centers, commercial and industrial sites, hospitality and food service areas, and transportation facilities such as airports. We also provide eco-friendly waste management services, handling hazardous and industrial waste like oil tanks, fuel tankers, and chemical materials safely and in line with local and international standards.

With trained staff, modern equipment, and organized systems, Sparkle International Company delivers reliable, compliant, and high-quality cleaning services that meet Kuwait's top standards of hygiene and safety.

VISION & MISSION

Vision

- Lead the cleaning industry in Kuwait with dependable, high-quality service.
- Promote healthier, safer environments for workplaces, businesses, and public spaces.
- Build lasting relationships through trust and consistent results.

Mission

- Deliver flexible daily, monthly, and yearly cleaning solutions for every client.
- Use efficient methods and responsible products that suit Kuwait’s climate.
- Support a skilled team dedicated to reliability, detail, and customer care.
